

Applications

- Cleaning small (tables, equipment) surfaces
- Cleaning large (floors, walls, ceilings) surfaces
- Removing residues after disinfectant application

Shelf Life

- Three years even after opening the bottle. The expiration date is indicated on the product label.
- Do not pour anything back into the bottle. The use solution should be replaced when it is visibly dirty.

Description

Texwipe's[®] TexP (hydrogen peroxide) cleaning solutions are developed for use with cleaning rotation cycles to maintain a clean environment. TexP offers no VOCs and is not flammable, making it safer for your personnel and regulatory compliance. Available in two ready-to-use concentrations – 4% and 7.5%.

Available in convenient 16 oz spray bottles for small areas and 1 gallon bottles for large areas. Individually lot-coded for ease of traceability and quality control. Labeled in three languages (English, Spanish, French).

Features & Benefits

- Convenient ready-to-use solutions require no mixing or activating.
- No residue, may be used for disinfectant removal.
- Safe for use – low toxicity profile for staff and noncorrosive on most common surfaces.
- Biodegradable – completely decomposing into water and oxygen.
- Nonflammable – may be used in high flammability risk environments.
- No VOCs – reduces VOC regulatory and compliance concerns.
